[WWW.MIDDLESCHOOLMATCHUP.COM](http://WWW.MIDDLESCHOOLMATCHUP.COM)

## HISTORY

Started from a crazy idea in 2012 to make a tournament of teams created by which middle school you attended. Over 7000 kids have played from over 150 schools and 45 cities!

## HOW IT WORKS

Players sign up individually and we place you on a team made up of players from your school. No need to leave your current team. Just a quick #happybaseball weekend of fun.

## #HAPPYBASEBALL

It's super fun and a totally different vibe than other tournaments. So fun that some teams sell out in minutes. We have 300+ 5 star testimonials and players return 98% of the time!.

## COMMON ANSWERS

You don't leave your current team. You sign up individually. It's not a league just a quick tourney. You get a school jersey. Coaches volunteer. We combine some schools if not enough players.

## WHAT THEY SAY

"I haven't seen him smile so much on the field"

"my favorite tournament of the year!"

"it's an experience they will never forget"
